

CONSENT AGENDA

September 12, 2017

Purpose of Consent Agenda

A consent agenda allows the presbytery to approve a number of items together without discussion or individual motions.

Removing Items

Before the consent agenda is approved, people with voting privileges will be given the opportunity to remove items from it to consider individually. Items may be removed for any reason including: desire to discuss the item, intent to amend the item, need for more information, intent to nominate from the floor, opposition to the item.

MISSION OFFERING: God's People of Peace

The mission offering received at the September presbytery meeting will be designated for

PEACE AND GLOBAL WITNESS OFFERING

A gift to the Peace and Global Witness Offering helps the church encourage peacemaking and reconciliation and address systems that perpetuate violence. Fifty percent of the offering goes to national church ministries and the remaining 50% is split between each participating congregation and its Presbytery for us in local and regional peacemaking initiatives.

Please make checks payable to "The Presbytery of Cincinnati" and note "September offering."
