

# CONSENT AGENDA

February 24, 2018

## *Purpose of Consent Agenda*

A consent agenda allows the presbytery to approve a number of items together without discussion or individual motions.

## *Removing Items*

Before the consent agenda is approved, people with voting privileges will be given the opportunity to remove items from it to consider individually. Items may be removed for any reason including: desire to discuss the item, intent to amend the item, need for more information, intent to nominate from the floor, opposition to the item.
